Join Marcy for a week of yoga inspired activities and games. We will start every morning with an energizing yoga routine and spend the rest of the day making our own mandalas, creating our own meditation kits, or taking our practice out into nature.

INSTRUCTOR: MARCY SEWELL

Old, new, inside, outside, board, card and movement - during this week we will play all types of games. Children will enjoy practicing patience, concentration and good sportsmanship. The only requirement is to like having fun!

INSTRUCTOR: MONIQUE LAVERGNE-MORGAN

The children will be creating a take-home wildlife garden box that will attract bees, butterflies, ladybugs and more. Also, they will be digging, planting, watering and weeding the Children’s Gardens, and of course, getting dirty and having fun!

INSTRUCTOR: VALERIE KOLB

Save those containers! We will use all kinds of recycled materials to create art, useable objects and fun contraptions. Every day we will ask “What else can it be?”

INSTRUCTOR: MONIQUE LAVERGNE-MORGAN

Cookies, spaghetti, fruit skewers and succotash… and perhaps green eggs and ham? We will be making a variety of delicious recipes inspired by some of our favorite children’s books.

INSTRUCTOR: VALERIE KOLB

Let’s do bubbles! What? A whole week of bubbles? That’s right, bubbles, bubbles, and more bubbles! We won’t be blowing just regular old bubbles. We will make our own bubble mixes and bubble wands, and maybe even try to bounce some bubbles or make square bubbles!
